

NOTICE

This is notification from the Public Works Department that the City experienced a water main break today (October 23) at approximately 10:15 AM near 820 11th Avenue North. Water service to customers along 11th Ave North from the Irle School walking path to Valley Drive has been interrupted. Crews are on-site and will attempt to restore service today October 23. 11th Ave is closed to thru traffic but all efforts will be made to maintain local access for residents. Please avoid this area if possible and thank you for your patience. For more information please call (406) 263-8076.
