Unfinished Business:

-Levee Safety Committee Report – DPW Kompel mentioned that RJH Consultants from Boulder Colorado will be in Glasgow to do a Periodic Inspection of the levee.

-Update on GNDC noncompetitive grant – City Clerk Amundson updated the council on the progress of the current project. It should be completed by the end of October or early November.

Mayor Erickson stated that she will meet with the County Commissioners next Wednesday at 10:00 am, Two Rivers meeting is tomorrow at noon and she will be attending the league conference this week. She also talked about the conversation she has had with Angela from MMIA on the new COVID regulations. There will also be a press release for the paving project for 2<sup>nd</sup> Avenue South that will be starting on October 14<sup>th</sup>.

Committee Reports: There were no reports for Personnel, Water, Cemetery, Grant, or Ordinance.

Department Head Reports:

City Clerk Amundson said she will attend the league conference this week and will continue to work on the city's annual financial report.

DPW Kompel mentioned he's been working with McIntyre's engineer on the design to hook onto the city's sewer line since his property is located on the other side of the levee. He also updated the council on the progress of the Saint Mary's Working Group rehabilitation project. The sidewalk project is set to begin on October 14<sup>th</sup>.

Chief Gault talked about the over height detection sign on the West side of the underpass. The sensors for the semi's are way to close and more semis are going under the underpass than before. His department is keeping record of this and will be submitting it to the Montana Department of Transportation to see if they can move the detection unit back further on Highway 2.

Public Comment: Shirley Siefert was in attendance to inform the Mayor and council that the BS Buzz is willing to publish the minutes and agendas for each meeting at no cost. Mayor Erickson asked her to stay after the meeting so City Clerk Amundson can get the information needed to be able to do this. Both Drew Markle and Lance Kolstad commented on the fence ordinance and the type of materials that can be used to build fences.

Council member Young made a motion to adjourn the meeting. The motion was seconded by Council member Karst the meeting adjourned at 6:02 p.m.
